## REPORT OF THE TRUSTEES

The Trustees are pleased to present their report together with the audited financial statements of the company for the year ended 31 March 2007.

### Objects and Activities

The mission of the Chinese Information and Advice Centre (the Charity) is to ensure that disadvantaged people of Chinese origin in the UK are able to access quality advice, information and support.

The Charity specialises in providing advice and support on immigration and asylum law. It also offers support services to refugees and asylum seekers as well as a unique support programme for Chinese women, in particular to those vulnerable to domestic violence. In addition, the Charity collects and disseminates information to Chinese communities throughout the UK.

### Governance & Management

The Board of Trustees meets at least six times a year and is responsible for the governance of the organisation. New Trustees are supported through an induction process which includes a written material on their responsibilities and code-of-conduct as Trustees. In addition to the regular meetings each year, there are two Awaydays to concentrate on longer-term strategies.

Decisions on the day-to-day operation of the Charity are taken by the Chief Executive or, in his absence, acting Chief Executive, in consultation with the Trustee sub-committees. Assessment of the financial position of the Charity and monitoring of its resources is carried out by the Executive Committee. There are two other committees formed by the Trustees together with the Chief Executive Officer and co-opted members to oversee personnel and fundraising matters.

Decisions on matters with significant implications for the organisation are brought to the Board of Trustees including organisational priorities and changes, resources risk, major initiatives and formation and development policies.

Trustees are elected at AGM, and new Trustees may be recruited during the year to fill up vacancy or take on additional responsibilities. New Trustees are recruited through introductions, enquiries and the Charity's website.

### Results

The net incoming resources for the year amounted to £17,886 (2006: outgoing resources £10,984) of which there was a net surplus of £10,799 (2006: £26,157 deficit) on restricted projects and net surplus of £7,087 (2006: £15,173 surplus) on unrestricted purposes.

### Achievements and Performance

#### (i) Legal Advice

The Charity had been awarded another year of contract by the Legal Services Commission (LSC) on the provision of legal advice on immigration and asylum law. This service is also provided under the Association of London Government (ALG) contract. After the introduction of the accreditation examination by the Legal Service Commission in 2004, all of the legal advisor team members have attained the required level of accreditation. The Charity had been providing on going training to equip the staff to achieve their next level of accreditation.

During the year, the Legal Advice Team opened 249 new cases under LSC contract and 94 cases under ALG contract. The Team also handled 773 telephone enquiries.

# CHINESE INFORMATION AND ADVICE CENTRE

## **(ii) Refugees and Asylum Seekers Support**

This project provides advice and assistance in the areas of asylum support, welfare benefit, housing, health and education for Chinese new arrivals. The Charity continued to represent and advocate on behalf of the service users to local authorities and National Asylum Support Service. The original fundings from Diana Trust and Lloyds TSB Foundation ceased in June 2006. The project was downscaled with the funding from the Charity Reserves to maintain a minimum level of service.

The Language Exchange Programme under Rayne Foundation funding set up in May 2005 completed early this year. This programme had matched up refugee service users with native English speaking volunteers on a one-to-one basis. While the volunteers were helping the refugees learning English, they also familiarised themselves with Chinese dialects and their culture. A new funding applied during the year and was granted in May 2007 by the Home Office to continue with the programme.

## **(iii) Women's Support**

Women's Support project provides Chinese women safety planning, emotional support, interpretation, assistance in finding refuge or temporary accommodation, and advice on housing, benefits and children issues. In the year under review, the Charity had handled approximate 180 telephone enquiries and 22 new cases. There were 7 volunteers on outreach providing on-going assistance to 43 services users. The Charity also raised the awareness of domestic violence amongst the Chinese community through multi-agency partnership and Chinese media. The project received the continued support from Tudor Trust Foundation, City Parochial Foundation and Nationwide Foundation.

## **(iv) Information Development**

The funding from Bridge House Trust for the Information Development Project ended in March 2006. This fund was used to publish quarterly newsletters (in traditional and simplified Chinese characters and in English) to provide news on immigration and nationality laws and policies changes and information on events in the Chinese community. The publication of the Charity Newsletter came to a halt. However, we continue to seek partnership with other organisations to hold workshops and maintain the Chinese information section inside Charing Cross Library.

In partnership with Wandsworth Council, the Charity held the cultural awareness workshop for the Council staff to enable them to better understand Chinese culture and working with the Chinese community. The Charity also organized a workshop to promote a special scheme by the International Organization for Migration under which it encouraged refugees and asylum seekers to return to their home country voluntarily.

## **Fundraising**

The Charity has formed a Capital Appeal Working Committee. This committee aims to raise enough capital towards the purchase of an office premises. During the year, the Charity held two fundraising dinner nights, organised charity lotteries, had a stall in China Town during the Chinese New Year and organised a canal cruise. A gross sum of £18,662 (2006: £15,258) was raised and £9,552 (2006: £8,803) net of expenses.

# CHINESE INFORMATION AND ADVICE CENTRE

## Plans for Future Periods

The Charity had conducted some researches on the proposed projects included in the last year report. We still need more research work to be done in order to apply funding in those new areas. The projects under study are:

- Outreach service for supporting Chinese having difficulties accessing mainstream agencies;
- Organising vocational training for refugees including cookery, food hygiene, citizenship, English and basic computer skills;
- Support for prisoners of Chinese origin; and
- Outreach service to Chinese elderly people residing in homes for the aged.

## Reserves Policy

The Trustees considered the level of free reserves (being funds not tied up in fixed assets, designated funds or restricted funds) that the Charity will require to provide financial flexibility over the course of the forthcoming year should be 3 months of the resources expended, which was approximate £70,000 in general funds. At present the free reserves amounted to £53,637 (2006: £46,550) which do not reach such target level. The Trustees had held a number of fundraising events in this financial year and a series of fundraising activities are now in the pipeline to increase these unrestricted reserves in the following year.

## Investment Policy

Under the memorandum and articles of association, the Charity has the power to make any investment as the Trustees think fit.

## Risk Review

Formal detailed review of the Charity's strategy and activities are carried out on an annual basis to produce a comprehensive three-year rolling strategic plan setting out the major opportunities available and the risks exposed. The Trustees regularly monitor progress against the strategic objectives. As part of this process, the trustees have implemented a risk management strategy that comprises of:

- An annual review of the risks which the Charity may face;
- The establishment of systems and procedures to mitigate those risks identified; and
- The implementation of procedures designed to minimise any potential impact on the Charity should any of those risks materialise.

## Related Parties

The Charity reimburses its Trustees for expenditure. During the year, there was no related party transaction.

## Auditors

The auditors, Wong & Co. are willing to stand for re-appointment and a proposal for their re-appointment will be put to the annual general meeting.

## STATEMENT OF TRUSTEES' RESPONSIBILITIES

Company law requires the trustees to prepare financial statements for each financial year. Which give a true and fair state of the affairs of the company as at the balance sheet date and of its incoming resources and application of resources, including income and expenditure, for the financial year. In preparing those financial statements, the trustees should follow best practice and:

1. Select suitable accounting policies and then apply them consistently;
2. Make judgements and estimates that are reasonable and prudent; and
3. Prepare the financial statements on the going concern basis unless it is inappropriate to assume that the company will continue on that basis.

The Trustees are responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable the to ensure that the financial statements comply with the Companies Act 1985. The trustees are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

## **AUDITORS' REPORT TO THE MEMBERS OF CHINESE INFORMATION AND ADVICE CENTRE**

We have audited the financial statements of the Charity for the year ended 31 March 2007 which comprised the statements of financial activities, the balance sheet and the related notes 1-19, which have been prepared under the accounting policies set out therein.

### **Respective responsibilities of Directors and auditors**

As described in the statement of Trustees' responsibilities, you are responsible as directors for the preparation of the financial statements, which are required to be prepared in accordance with applicable United Kingdom law and accounting standards. It is our responsibility to form an opinion, based on our audit, on those statements and to report our opinion to you. We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We read the Trustees' report for the above year and consider the implications for our report if we became aware of any apparent misstatements or material inconsistencies with the financial statements.

### **Basis of opinion**

We conducted our audit in accordance with United Kingdom auditing standards issued by Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made in the preparation of the financial statements and of whether the accounting policies are appropriate to the charity's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion, we also evaluated the overall adequacy of the presentation of information in the financial statements.

### **Opinion**

In our opinion, the financial statements give a true and fair view of the Charity's state of affairs as at 31 March 2007 and of its incoming resources and application of resources in the year then ended and have been properly prepared in accordance with the Companies Act 1985.
